

TO OUR FRIEND, NEIGHBOR, & COMMUNITY LEADER,

It brings me great pleasure to know that we can count on the good people of this community to partner with us in meeting the needs of those we serve. As the number of aging people in America continues to increase, we must also **RISE** to the occasion . . . together, with arms linked.

We need you today more than ever!

As a leader for this organization, I am challenged daily to remember what my late 92-year old friend, Leila, once told me: ***“Old age is a gift and only a few get to enjoy it.”***

I believe that this quote has a lot of truth to it; particularly as I witness so many of our “neighbors” fight against growing health problems and increasing isolation. Thankfully, with the support of this community, we are able to bring hope back to their doorsteps. Through wooden ramps and wax birthday candles (and so much more), we are helping our friends maintain their independence, dignity, and quality of life as they age.

Would you consider becoming a sponsor at our upcoming “RISE” fundraising luncheon on October 16th? With your partnership we can continue to meet increasing need with the type of love and support that never runs out!

SINCERELY,

Wayne Thomas,

ABOUT

KIND AT HEART & OUR FUNDRAISER

We would like to invite you, as a leader in the Siloam Springs community, to partner with Kind at Heart ministries for our 2nd Annual Fundraising event, a luncheon, on **October 16th, 2018**. Our theme, "RISE," is our response to the Biblical command calling us to "rise in the presence of the aging" and "honor the old." (Leviticus 19:32). This luncheon is a call to our community to come together in heart and mind to love our neighbor and improve the quality of life for those who have paved the way for us.

FOR QUESTIONS ABOUT SPONSORSHIP, contact Wayne Thomas at (479) 238-4608 or by emailing him at wthomas@kindatheart.org.

Kind at Heart's mission to "express the love of Jesus to the aging and disabled" is made possible by the generosity of individual donors, churches, small businesses, and local foundations that believe in our mission.

You are the reason we were able to bring hope to over 280 individuals last year, and your continued support will enable us to **RISE** to the challenge and meet increasing need with increasing support.
